Collective/Individual exercise

Once you complete the exercise, please summarize the key takeaways from your input, similar to the example provided below.

Collective/Individual exercise example

Safety & Security Accessibility Vitality

Urban Infrastructure

Gender / Inclusive representations

Key takeaways

Please write down the most important key takeaways related to each Urban Quality Indicator.

Safety & Security

enhance street lighting
handrails maintenance
more pedestrian crossings

Accessibility

ramps need to be installed
not a good sense of orientation:
more signage is needed
bike lane should be more well-maintained

Vitality

more space uses need to be here to enhance vitality

Urban Infrastructure

more benches and seating areas
more bicycles parking spots
public toilets need to be installed
bus stops need to be shaded

Gender / Inclusive representations

only male street names
more inclusive street art

2.Evaluation of the training course

Evaluation of the training course

We value your feedback!

This short evaluation aims to gather your impressions of the training course, including the theoretical framework, guidelines, the exercise and overall experience.

Your responses will help us improve future sessions and better support inclusive urban planning practices. All answers are confidential.

The evaluation form is available at:
